AUG 17 2004

Title: Human Glycosylation Enzymes

**REQUEST FOR CORRECTED PUBLICATION UNDER
37 C.F.R. § 1.221(b) DUE TO MATERIAL OFFICE MISTAKE**

MS PGPUB

Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants respectfully request a corrected publication of the above-listed application pursuant to 37 C.F.R. § 1.221(b) due to a material mistake made by the Office. In particular, the publication fails to include the Sequence Listing which was originally filed in this application, either in the publication itself or in the PSIPS database.

The above mistake is material because, *inter alia*, the claims are directed to sequences shown only in the Sequence Listing. Thus, this error affects the scope of provisional rights accorded Applicants under 35 U.S.C. § 154(d) based on the instant publication. Additionally, omission of the Sequence Listing renders the publication essentially useless as a prior art reference.

Accordingly, Applicants respectfully request that a corrected publication of the above-listed application be made pursuant to 37 C.F.R. § 1.221(b).

No fee is believed due for this submission. In the event that a fee is required in connection with this submission, please charge the required fee to Deposit Account No. 08-3425.

Respectfully submitted,

Dated: August 17, 2004

Mark J. Hyman (Reg. No. 46,789)
